

**5thth Annual
Hospitality Homes Charity Golf Classic
September 2007**

Dear Friend:

Thank you for your interest in the 5th Hospitality Homes Charity Golf Classic, which will be held in September 2007. We need your help to ensure that the day is a great success.

We hope you will consider sponsoring this event. Accompanying this letter are details on sponsorship opportunities. Our tournament offers a unique chance to bring your message to a diverse cross-section of Boston-area professionals, particularly those in the healthcare field, who support the work of Hospitality Homes.

Patients cannot face a medical crisis alone. The support of family and friends is crucial to their treatment. However, when patients must travel far from home to receive expert care only available in Boston-area hospitals, their families are faced with difficult decisions. The financial demands of illness all too frequently become the determining factors in whether patients receive the care they need with their families by their sides.

Through Hospitality Homes, more than 120 volunteer hosts in the Boston area open their hearts and their homes to families and individuals traveling to Boston for medical treatment. In 2004-2005, our hosts provided over 11,000 nights of guest housing. The service offers guests an economical way to be near their loved ones and a welcoming home in what is often an unfamiliar city. Most importantly, it enables families to face medical crises together, focusing their financial and emotional resources on their hospitalized loved ones.

Thank you in advance for you generosity!

Sincerely,

Marianne Duddy-Burke
Executive Director
