**6th Annual Hospitality Homes  
Charity Golf Classic  
September 5, 2008**

Dear Friend:

Thank you for your interest in the 6<sup>th</sup> Annual Hospitality Homes Charity Golf Classic, which will be held on September 5, 2008. We need your help to ensure that our tournament is a great success.

We hope you will consider donating an item or service for use in our silent auction, prize drawings, or to include in our player gift bags. Our tournament offers a unique chance to gain exposure for your product or service among a diverse cross-section of Boston-area professionals, particularly those in the healthcare field, who support the work of Hospitality Homes.

Patients cannot face a medical crisis alone. The support of family and friends is crucial to their treatment. However, when patients must travel far from home to receive expert care only available in Boston-area hospitals, their families are faced with difficult decisions. The financial demands of illness all too frequently become the determining factors in whether patients receive the care they need with their families by their sides.

Through Hospitality Homes, more than 120 volunteer hosts in the Boston area open their hearts and their homes to families and individuals traveling to Boston for medical treatment. In 2006, our hosts provided over 8,500 nights of guest housing for more than 800 guests. The service offers families an economical way to be near their loved ones and a welcoming home in what is often an unfamiliar city. Most importantly, it enables families to face medical crises together, focusing their financial and emotional resources on their hospitalized loved ones.

Thank you in advance for your generosity!

Sincerely,

Marianne Duddy-Burke  
Executive Director
